Draft resolutions and other documents for meetings of the Conference of the Parties

DRAFT REVISION OF RESOLUTION CONF. 4.6 (REV. COP12)

*Prepared by the Secretariat on the basis of document CoP13 Doc. 16 (Rev. 1) Annex 1 b, and CoP13 Doc. 17 Annex, approved as amended by Committee II.*

CONSIDERING the volume of work involved in the preparation of documents to be submitted to the Conference of the Parties at its regular meetings;

AFFIRMING the obligation of the Parties to collaborate closely with the Secretariat in the organization of meetings of the Conference of the Parties;

RECOGNIZING the necessity that the Parties be informed in advance of the draft resolutions and other documents submitted by other Parties;

OBSERVING that Article XV, paragraph 1(a), of the Convention requires Parties to communicate the text of proposed amendments to Appendices I and II to the Secretariat at least 150 days before the meeting of the Conference of the Parties;

THE CONFERENCE OF THE PARTIES TO THE CONVENTION

AGREES that the term "the text of the proposed amendment" in Article XV, paragraph 1, of the Convention includes the substantially complete supporting statement accompanying it, and this interpretation is extended to draft resolutions and other documents submitted for consideration at meetings of the Conference of the Parties;

RECOMMENDS that:

- a) the text of any draft resolution or other document to be submitted for consideration at a meeting of the Conference of the Parties be communicated to the Secretariat at least 150 days before the meeting;
- b) the Secretariat be authorized to accept draft resolutions and documents (other than proposals for amendment of Appendices I and II) after the 150-day deadline only in exceptional circumstances, when it is established, to the satisfaction of the Secretariat, that the draft resolutions or documents could not have been communicated before the deadline;
- c) when drafting a resolution that is intended to be exhaustive, or to treat a subject comprehensively, or to make significant changes in the way in which a subject is dealt with, a Party prepare the draft so that, if adopted, it will replace and repeal all existing Resolutions (or, as appropriate, the relevant paragraphs) on the same subject;
- d) unless practical considerations dictate otherwise, draft resolutions not include:
  - i) instructions or requests to Committees, Working Groups or the Secretariat, unless they are part of a long-term procedure;
  - ii) decisions on the presentation of the Appendices; and

- iii) recommendations (or other forms of decision) that will be implemented soon after their adoption and will then be obsolete; and
- e) as a general rule, documents submitted for consideration at a meeting of the Conference of the Parties be no more than 12 pages in length;
- f) when a draft resolution is adopted that merely adds points to the recommendations (or other decisions) in existing Resolutions, or makes minor amendment thereto, the existing Resolutions be replaced by revised versions with the agreed changes;

DIRECTS the Secretariat to put the following proposals on the agenda of the next extraordinary meeting of the Conference of the Parties, whenever this may be convened, as amendments to the Convention:

- a) the provisions of Article XVI, regarding the listing of Appendix-III parts and derivatives, should be brought into line with Convention procedures for Appendices I and II (Article XV);
- b) paragraph 5 of Article XIV should read: "Notwithstanding the provisions of Article IV, any export of a specimen" etc.;
- c) paragraphs 3 (b) and 5 (b) of Article III should include "either a Management Authority or a Scientific Authority of the State" etc.; and
- d) correction of errors of an orthographical nature discovered in the text of the Convention;

DIRECTS the Secretariat further:

- a) when revising its publication of current Resolutions after each meeting of the Conference of the Parties, to correct the texts of already existing Resolutions to ensure that all references to other Resolutions are accurate; and
- b) to update the list of Decisions after each meeting of the Conference of the Parties, to contain all the recommendations (or other forms of decision) that are not recorded in Resolutions and that remain in effect. The list shall be sorted according to subject, using the subjects of the Resolutions for guidance, and within the section for each subject they shall be divided according to the body to which they are directed. The Secretariat shall distribute to the Parties a copy of the updated list of Decisions soon after each meeting of the Conference;

DECIDES that any draft resolutions or decisions submitted for consideration at a meeting of the Conference of the Parties that have budgetary and workload implications for the Secretariat or permanent committees must contain or be accompanied by a budget for the work involved and an indication of the source of funding; and

DECIDES FURTHER that the recommendations contained in Resolutions and Decisions adopted by the Conference of the Parties shall enter into effect 90 days after the meeting at which they are adopted, unless otherwise specified in the recommendation concerned.
