8 June 2007: 16h30-16h50

Chairman: A. van de Zande (the Netherlands)

Committee I Chairman: G. Leach (Australia)
Committee II Chairman: C.S. Cheung (China)

Secretariat: W. Wijnstekers

Rapporteurs: P. De Angelis
T. Inskipp

The Chairman opened the meeting by requesting a progress report from the Chairmen of Committees I and II.

Report of the Chairman of Committee I

The Chairman of Committee I reported excellent progress, noting that all draft decisions and draft resolutions from the Animals and Plants Committees' reports had been dealt with, that several species listing proposals had been advanced, and that four working groups were underway and were expected to report to Committee I early the following week.

Report of the Chairman of Committee II

The Chairman of Committee II reported that the Committee was nearly on schedule with its working programme. Working groups focusing on issues such as the Strategic Vision and Budget had met regularly and would report to Committee II the following week.

The Chairman thanked the Committee Chairmen for their oral reports and opened the floor for questions.

Chile reported that the dialogue between African elephant range States was ongoing.

After several announcements, the Chairman closed the session at 16h50.
