*collaborate with the Convention on Biological Diversity and the Food and Agriculture Organization of the United Nations in its work and is invited to draw to the attention of the Standing Committee and/or the Conference of the Parties to any matters relating to the implementation of Resolution Conf. 13.11.*  
  
*continue its work, also by collaborating with the Convention on Biological Diversity Liaison Group on non-timber forest resources, and to report to the Standing Committee on progress made in implementing national action plans relating to the trade in bushmeat and other initiatives it takes regarding this subject. A report on the subject of bushmeat should be submitted at the 15th meeting of the Conference of the Parties.*
