OF WILD FAUNA AND FLORA

Fifteenth meeting of the Conference of the Parties
Doha (Qatar), 13-25 March 2010

IUCN/TRAFFIC ANALYSES OF THE PROPOSALS TO AMEND THE CITES APPENDICES

1. This document has been prepared by IUCN, the International Union for the Conservation of Nature and TRAFFIC*, and is distributed by the Secretariat.
2. The *Analyses*, as these technical reviews are known, aim to provide as objective an assessment as possible of each amendment proposal against the requirements of the Convention, as laid out in the listing criteria elaborated in Resolution Conf. 9.24 (Rev. CoP14) and other Resolutions and Decisions. A copy of these *Analyses* is annexed to the present document.
3. The Analysis of each proposal is also available separately on the IUCN website at:
<http://www.iucn.org/about/work/programmes/species/?4491/IUCNandTRAFFICreleaseCITESCoP15AnalysesoftheProposals>
4. Furthermore, summaries of the IUCN/TRAFFIC *Analyses* have been compiled into a separate document and will be printed and sent to all Management and Scientific Authorities, together with a CD-ROM with the full analyses in English, French and Spanish. The summaries will be available at the following URL:
