Doha (Qatar), 13-25 March 2010

**Committee I**

Agarwood-producing taxa

DRAFT RESOLUTION AND DECISIONS OF THE CONFERENCE OF THE PARTIES

*This document has been prepared by the Secretariat following discussions in the third session of Committee I, and is based on document CoP15 Doc. 60.*

**Resolution Conf. 10.13 (Rev. CoP15)**

**Implementation of the Convention for timber species**

***Regarding the definition of 'artificially propagated'***

- g) timber—or other parts or derivatives of trees grown in monospecific plantations be considered as being artificially propagated in accordance with the definition contained in Resolution Conf. 11.11 (Rev. CoP14);

**Regarding agarwood-producing taxa**

***Directed to the Plants Committee:***

- 15.XX The Plants Committee shall consider current definitions of artificially propagated plants and how they apply to trees in mixed species plantations and report at the 16th meeting of the Conference of the Parties.

***Directed to the Secretariat:***

- 15.XX Subject to external funding, the Secretariat shall, in cooperation with the agarwood range States and the Plants Committee, organize a workshop to discuss management of wild and plantation-source agarwood.
