

NOTIFICATION TO THE PARTIES

No. 2013/008

Geneva, 1 March 2013

CONCERNING:

RUSSIAN FEDERATION

Import of falcons

1. The following information is provided at the request of the CITES Management Authority of the Russian Federation.
2. The import of specimens of *Falco cherrug* (saker falcon), *F. peregrinus* (peregrine falcon), *F. rusticolus* (gyr falcon) and hybrids thereof into the Russian Federation is allowed only after issuance of an import permit by the Russian CITES Management Authority, regardless of the origin of the birds.
