

Decision 19.189: Technical workshop on *Aquatic species listed in the CITES Appendices*

23 – 24 April 2024 (CICG, Geneva, Switzerland)

Logistics note

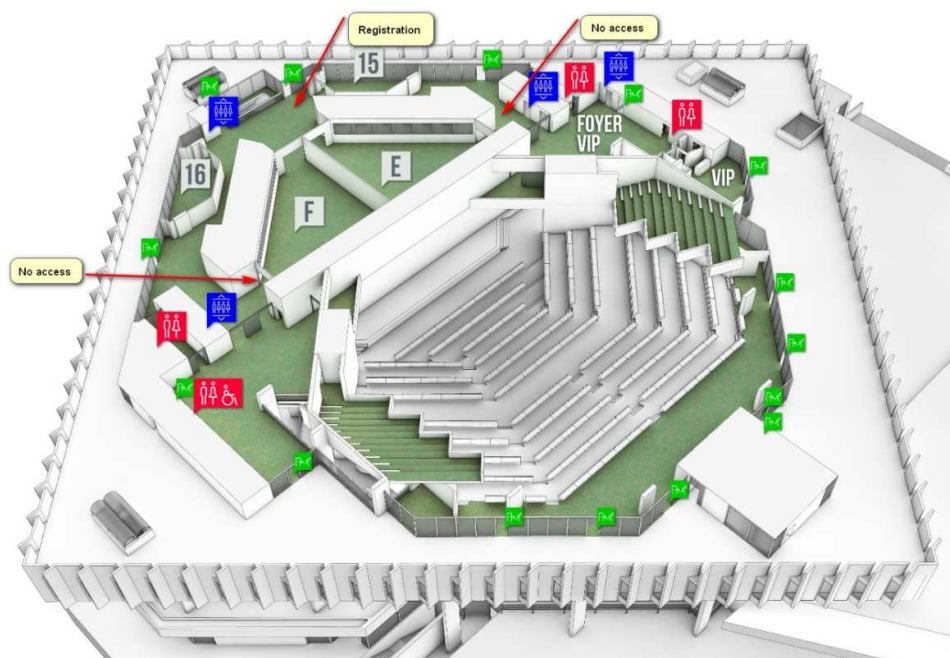

We hope that you are all ready to travel to Geneva and we look forward to welcoming you at the *Centre International de Conférences Genève* (CICG – Rue de Varembe 17, 1211 Genève). Click [here](#) on how to access the Centre.

Transportation

For transportation around Geneva, see the website of the Transport Public Genevois: www.tpg.ch.

Location

The workshop will be held in Plenary room E/F on Level 3 of CICG. Please see below a map showing the room and registration locations.

Registration

Registration will be open from 08:00 to 09:00 on Tuesday 23 April 2024. All participants are requested to present a photo ID to collect their badges and a hard copy of the Priority Pass (PP) that they have received by e-mail.

Security

Participants are kindly requested to wear their badges at all times. No family or friends of participants will be admitted.

Documentation

The CITES Secretariat is aiming to make the technical workshop on *Aquatic species listed in the CITES Appendices* a paper-smart meeting. All workshop documents will be uploaded on the CITES website on the [workshop page](#).

Opening hours and lunch options

The CICG opens at 07:00 and closes at 19:00. Workshop sessions will run from 09:00 to 12:00 and 14:00 to 17:00.

The CICG café with coffee and light options for lunch will be available for participants throughout the meeting. For more substantive meals, participants are invited to use the restaurants in the vicinity of the conference centre.

Wi-Fi access

Free Wi-Fi will be available throughout the meeting. The password to the CITES Wi-Fi network will be printed on the badges.

In order to allow as many participants as possible to have high-speed access to the Internet, access to audio/video streaming and downloads using the Wi-Fi will be limited. Participants are strongly discouraged from using these and other services for purposes not related to the technical workshop.

We wish you all a safe trip to Geneva and above all, a very fruitful workshop!
