

CONVENTION ON INTERNATIONAL TRADE IN ENDANGERED SPECIES  
OF WILD FAUNA AND FLORA

Twenty-seventh meeting of the Animals Committee  
Veracruz (Mexico), 28 April – 3 May 2014

NET EXPORTS OF APPENDIX II ANIMAL SPECIES, 2007-2012 RAW DATA

1. The attached information document has been submitted by the Secretariat and has been prepared by UNEP-WCMC<sup>\*</sup> in relation to agenda item 12.
2. In accordance with paragraph a) of that Resolution under the section *Regarding conduct of the Review of Significant Trade*, the Secretariat requested UNEP-WCMC to produce a summary from the CITES Trade Database of annual report statistics showing the recorded net level of exports for Appendix-II species over the five most recent years. The present document presents the raw data that was used to prepare the Annex of the document AC27 Doc.12.5

---

<sup>\*</sup> *The geographical designations employed in this document do not imply the expression of any opinion whatsoever on the part of the CITES Secretariat or the United Nations Environment Programme concerning the legal status of any country, territory, or area, or concerning the delimitation of its frontiers or boundaries. The responsibility for the contents of the document rests exclusively with its author.*

**Net Exports of Appendix II FAUNA (direct trade only), 2007-2012**

Note: Data from 2012 are incomplete. Data extracted 2 December 2013.
