# CANADA

The Management and Scientific Authorities at the **Canadian Wildlife Service** (ENVIRONMENT CANADA) have the overall responsibility of the implementation of the Convention in Canada. However, there are also other Federal departments involved, such as:

- the **Department of Fisheries and Oceans** (DFO): marine species and fish;
- the **Canadian Forest Service** (NRC-CFS): trees / Timber;
- the **Canadian Customs and Revenue Agency** (CCRA);
- the **Canadian Food Inspection Agency** (CFIA);
- the **Department of Foreign Affairs and International Trade** (DFAIT).

Also 12 of the 13 Provinces or Territories have their own designated MAs and SAs.

However, in any case, CWS should be contacted at the numbers and addresses below under “**general information**” and CWS will forward any message.
