

ESTABLISHMENT OF THE PLANTS COMMITTEE PRIORITIES
(PC17 Agenda item 12.2)

This document has been prepared by the working group on the establishment of Plants Committee priorities for the period until CoP15.

The working group comprised all members of the Plants Committee, the alternate representative (Europe) and the plant nomenclature specialist and was chaired by the regional representative of Oceania.

The various Resolutions and Decisions that require Plants Committee attention have been assigned to either a High, Medium or Low priority. Activities have been allocated to PC members to act as a contact point for that activity.
