3. The Secretariat submitted documents [PC25 Comp.](#) and [PC25 Doc. 13 Add.](#) to the Plants Committee at its 25th meeting (PC25, online, June 2021), the latter document in collaboration with the regional representative of Oceania (Mr. Damian Wrigley), as the Plants Committee's co-lead for Decision 18.50.
4. These documents outlined progress achieved in the implementation of Decision 18.50, including updates related to the GSPC itself, in particular with regard to the future of this initiative in the post-2020 Global Biodiversity Framework of the CBD. The Secretariat drew the Plants Committee's attention to Target 4 of the *Preliminary draft global strategy for plant conservation* that would be a natural link for CITES.
5. In its recommendations, the Secretariat invited the Plants Committee to agree to postpone further consideration on the GSPC until there is clarity on the future of the GSPC with a draft decision to replace the Decisions 18.49 to 18.51 with a view to extend the work beyond the 19th meeting of the Conference of the Parties. The Plants Committee agreed to this way forward and agreed to propose to the Conference of the Parties the submission of draft decision 19.AA as contained in Annex 1 to the present document.
