

CONVENTION ON INTERNATIONAL TRADE IN ENDANGERED SPECIES  
OF WILD FAUNA AND FLORA

Nineteenth meeting of the Conference of the Parties  
Panama City (Panama), 14 – 25 November 2022

Species specific matters

NEOTROPICAL TREE SPECIES

1. This document has been submitted by Plants Committee.\*
2. At its 18th meeting (CoP18, Geneva, 2019), the Conference of the Parties adopted Decision 18.299 on *Neotropical tree species*, as follows:

***Directed to the Plants Committee***

**18.299** *The Plants Committee shall:*

- a) *re-establish the intersessional neotropical tree species working group to work by electronic means to:*
  - i) *agree on a priority list of CITES-listed neotropical tree species, and decide on associated activities that will most significantly contribute to the implementation of the mandates in Resolutions relating to neotropical tree species and that are addressed to the Plants Committee;*
  - ii) *in the process of developing the priority list referred to in paragraph i) above, special consideration shall be given to neotropical tree species-listings in effect since the 16th meeting of the Conference of the Parties; to neotropical tree species that are currently under the Review of Significant Trade (or other compliance mechanisms of the Convention); as well as those that are known to represent implementation challenges particularly in matters related to the formulation of non-detriment findings and identification of specimens in trade;*
  - iii) *exchange experiences, information and skills between countries on the priority neotropical tree species; and*
  - iv) *report on progress made in the management and conservation of, and trade in, priority neotropical tree species, as well as on lessons learned, including on the generation of studies on the status of their populations; implementation of traceability and chain of custody systems, which strengthen the transparency and sustainable trade in timber species; and creation of materials for identification and training in the different existing methods, with an emphasis on those that can be used easily by authorities; and*
- b) *review the progress reported by the intersessional working group and make recommendations to the 19th meeting of the Conference of the Parties as appropriate.*

---

\* *The geographical designations employed in this document do not imply the expression of any opinion whatsoever on the part of the CITES Secretariat (or the United Nations Environment Programme) concerning the legal status of any country, territory, or area, or concerning the delimitation of its frontiers or boundaries. The responsibility for the contents of the document rests exclusively with its author.*

3. On 21 September 2020, through Notification to the Parties [No. 2020/056](#), the Chair of the Plants Committee informed on, *inter alia*, the establishment of an intersessional working group on *Neotropical tree species* with co-Chairs: Fabiola Rocío Núñez Neyra (representative for Central and South America and the Caribbean), César Augusto Beltetón Chacón (representative for Central and South America and the Caribbean), and Paulo J.L. Carmo (representative for Europe).
4. The Secretariat and the co-Chairs of the intersessional working group submitted documents [PC25 Doc. 29](#) and [PC25 Doc. 29 Add.](#) to the Plants Committee at its 25th meeting (PC25, online, June 2021).
5. Based on the recommendations of the working group in document [PC25 Doc. 29 Add.](#), the Plants Committee agreed to submit to the Conference of the Parties the draft decisions contained in Annex 1 to the present document.

#### Recommendations

6. The Conference of the Parties is invited to adopt the draft decisions contained in Annex 1 to the present document.

DRAFT DECISIONS ON *NEOTROPICAL TREE SPECIES*

***Directed to the Plants Committee***

**19.AA** The Plants Committee shall:

- a) update the list of neotropical tree species and the related CITES processes included in the Annex to document PC25 Doc. 29, taking into consideration the recommendations included in document PC25 Doc. 29, Addenda;
- b) based on the above, establish priorities for strengthening the implementation of the Convention for the neotropical tree species concerned;
- c) cooperate with the Parties in making progress with the priorities identified; and
- d) report on the results of this work to the Standing Committee and the Conference of the Parties, as appropriate.

***Directed to the Parties***

**19.BB** Parties are invited to cooperate with the Plants Committee in the implementation of Decision 19.AA.

***Directed to the Secretariat***

**19.CC** The Secretariat shall, at the request of the Plants Committee, support the implementation of Decision 19.AA.

***Directed to the Standing Committee***

**19.DD** The Standing Committee shall consider any reports of the Plants Committee on Decision 19.AA and, if it considers it appropriate, develop recommendations for consideration of the Conference of the Parties.

TENTATIVE BUDGET AND SOURCE OF FUNDING  
FOR THE IMPLEMENTATION OF DRAFT RESOLUTIONS OR DECISIONS

According to Resolution Conf. 4.6 (Rev. CoP18) on *Submission of draft resolutions, draft decisions and other documents for meetings of the Conference of the Parties*, the Conference of the Parties decided that any draft resolutions or decisions submitted for consideration at a meeting of the Conference of the Parties that have budgetary and workload implications for the Secretariat or permanent committees must contain or be accompanied by a budget for the work involved and an indication of the source of funding. The Secretariat proposes the following tentative budget and source of funding.
