ANNOTATIONS

1. This document has been submitted by the United Kingdom of Great Britain and Northern Ireland as Chair of the Standing Committee's working group on annotations.*
2. At the 19th meeting of the Conference of the Parties (Panama City, 2022), the Conference of the Parties adopted Decision 16.162 (Rev. CoP19) which directs the Standing Committee to re-establish the working group on annotations, in close collaboration with the Animals and Plants Committees. At its 76th meeting (Panama City, November 2022), the Standing Committee re-established the working group. The terms of reference, as outlined in Decision 16.162 (Rev. CoP19) are as follows:

Directed to the Standing Committee, in close collaboration with the Animals and Plants Committees

16.162 (Rev. CoP19) *The Standing Committee shall re-establish the working group on annotations, in close collaboration with the Animals and Plants Committees, recognizing that the Animals and Plants Committees are an important source of expertise and advice to Parties on such scientific and technical issues. The group shall include, but not be limited to, members from the Standing Committee, Animals Committee, Plants Committee, observer Parties, CITES Management and Scientific Authorities, enforcement authorities, including customs, and industry representatives. The Standing Committee shall particularly endeavour to ensure balanced representation of importing and exporting Parties. The terms of reference for the working group shall be:*

- a) *in close collaboration with ongoing efforts in the Plants Committee, to continue reviewing the appropriateness and practical challenges resulting from the implementation of the annotations to the Appendices, including but not limited to those on the tree species, of the agarwood-producing taxa (Aquilaria spp. and Gyrinops spp.), Aniba rosaeodora, Bulnesia sarmientoi and orchids, and to identify options to streamline these annotations taking into account the guidance*

* *The geographical designations employed in this document do not imply the expression of any opinion whatsoever on the part of the CITES Secretariat (or the United Nations Environment Programme) concerning the legal status of any country, territory, or area, or concerning the delimitation of its frontiers or boundaries. The responsibility for the contents of the document rests exclusively with its author.*

provided by Resolution Conf. 11.21 (Rev. CoP19) on Use of annotations in Appendices I and II;

- b) to develop or refine definitions of terms used in current annotations as appropriate, and submit them for adoption by the Conference of the Parties and subsequent inclusion in the Interpretation section of the Appendices;*
- c) to review and update the definitions of wood and wood products currently located in paragraph 1 c) of Resolution Conf. 10.13 (Rev. CoP18) on Implementation of the Convention for tree species, for logs, sawn wood, veneer sheets, and plywood;*
- d) to conduct any work related to annotations directed to it by the Conference of the Parties, the Standing, Animals or Plants Committee; and*
- e) to prepare reports on progress made in addressing the issues tasked to it and submit them for consideration at the 77th and 78th meetings of the Standing Committee.*
