

CONVENTION ON INTERNATIONAL TRADE IN ENDANGERED SPECIES
OF WILD FAUNA AND FLORA

Seventy-seventh meeting of the Standing Committee
Geneva (Switzerland), 6–10 November 2023

MIKE AND ETIS SUBGROUP

1. This document has been prepared by the Belgium as the Chair of the MIKE and ETIS Subgroup in relation to agenda item 63.1.

Recommendations

2. The MIKE and ETIS Subgroup recommends that the Standing Committee requests TRAFFIC, in collaboration with the Secretariat, to publish the automated aggregated elephant specimen seizure data summaries on the public section of the otherwise password secured ETIS Online, while maintaining a link to this information on the CITES website.
