Significant trade in plants

PROBLEMS AND INCONSISTENCIES IN RESOLUTION CONF. 9.8 (REV.)
AND DECISION 11.117

1. The document in Annex (AC17 Doc. 7.4) was prepared by the African Resources Trust, under contract to the Secretariat, because it was noted by the Animals Committee that there were some inconsistencies with the provisions contained in Decision 11.106, directed to the Animals Committee.
2. Decision 11.117 directed to the Plants Committee is, however, identical to Decision 11.106 (except that it refers to the Plants Committee rather than the Animals Committee), and it would therefore be appropriate for the Plants Committee to carefully consider the document.
3. Decisions 11.107, 11.108, 11.109 (see paragraph 2 in the Annex) are directed to the Animals Committee. At the 11th meeting of the Conference of the Parties (Gigiri, April 2000), these were not amended to also apply to the Plants Committee.
4. The Secretariat will orally report at the 11th meeting of the Plants Committee on the conclusions of the 17th meeting of the Animals Committee with regard to the amendments proposed in the Annex.
