

CONVENTION ON INTERNATIONAL TRADE IN ENDANGERED SPECIES  
OF WILD FAUNA AND FLORA

Twelfth meeting of the Plants Committee  
Leiden (The Netherlands), 13-17 May 2002

ID Manual

PROGRESS REPORT

1. In accordance with Resolution Conf. 11.19, paragraph g) the Secretariat herewith provides a report on the progress made with the production of the Identification Manual.
2. A list of the sheets that have been distributed since 30 June 2001, and of those being printed edited, formatted, translated, or prepared, is included in the Annex.
3. The source of the sheets is indicated under the original language in which they were provided.
4. The Secretariat has contracted the former editor of the Identification Manual, Dr J.-P. Biber, to convert all the published sheets into electronic format, for updating and inclusion on its website.

Identification Manual sheets sent to the Parties since 30 June 2001
