

CONVENTION ON INTERNATIONAL TRADE IN ENDANGERED SPECIES  
OF WILD FAUNA AND FLORA

Sixteenth meeting of the Plants Committee  
Lima (Peru), 3-8 July 2006

Review of Significant Trade in specimens of Appendix-II species

PROGRESS IN THE IMPLEMENTATION OF THE SPECIES-BASED  
REVIEW OF SIGNIFICANT TRADE – OVERVIEW

1. This document has been prepared by the Secretariat.
2. The Annex to this document presents an overview of the current status of the Review of Significant Trade in specimens of Appendix-II plant species that were selected after the 11th (Gigiri, 2000), 12th (Santiago, 2002) and 13th (Bangkok, 2004) meetings of the Conference of the Parties. It indicates the reference documents that provide detailed information on each species for consideration by the Plants Committee at the present meeting.
3. It should be noted that of the species selected after CoP11, only *Prunus africana* is still under review by the Committee.
4. The Plants Committee is invited to note the information contained in this document.

PROGRESS IN THE IMPLEMENTATION OF THE SPECIES-BASED  
REVIEW OF SIGNIFICANT TRADE IN PLANTS

Species selected following CoP11

Species selected	Reference document	Status of review
<i>Aloe</i> spp.	SC53 Doc.25	ongoing – action required by the SC
<i>Aquilaria malaccensis</i>	SC53 Doc.25	ongoing – action required by the SC
Cycadaceae	SC53 Doc.25	ongoing – action required by the SC
<i>Pericopsis elata</i>	SC53 Doc.25	ongoing – action required by the SC
<i>Prunus africana</i>	PC16 Doc. 10.2	ongoing – action required by the PC

Species selected following CoP12

Species selected	Reference document	Status of review
<i>Cibotium barometz</i>	PC16 Doc. 10.2	ongoing – action required by the PC
<i>Cyathea contaminans</i>	PC16 Doc. 10.2	ongoing – action required by the PC
<i>Dendrobium nobile</i>	PC16 Doc. 10.2	ongoing – action required by the PC
<i>Galanthus woronowii</i>	PC16 Doc. 10.2	ongoing – action required by the PC

Species selected following CoP13

Species selected	Reference document	Status of review
<i>Aloe ferox</i>	PC16 Doc. 10.3	ongoing – action required by the PC
<i>Christensonia vietnamica</i>	PC16 Doc. 10.3	ongoing – action required by the PC
<i>Euphorbia candelabrum</i>	PC16 Doc. 10.3	ongoing – action required by the PC
<i>Euphorbia stellata</i>	PC16 Doc. 10.3	ongoing – action required by the PC
<i>Myrmecophila tibicinis</i>	PC16 Doc. 10.3	ongoing – action required by the PC
<i>Nardostachys grandiflora</i>	PC16 Doc. 10.3	ongoing – action required by the PC
<i>Pachypodium bispinosum</i>	PC16 Doc. 10.3	ongoing – action required by the PC
<i>Pachypodium succulentum</i>	PC16 Doc. 10.3	ongoing – action required by the PC
<i>Pterocarpus santalinus</i>	PC16 Doc. 10.3	ongoing – action required by the PC
<i>Rauvolfia serpentina</i>	PC16 Doc. 10.3	ongoing – action required by the PC
<i>Taxus wallichiana</i>	PC16 Doc. 10.3	ongoing – action required by the PC
