

CONVENTION ON INTERNATIONAL TRADE IN ENDANGERED SPECIES  
OF WILD FAUNA AND FLORA

Seventeenth meeting of the Plants Committee  
Geneva (Switzerland), 15-19 April 2007

Review of Significant Trade in specimens of Appendix-II species

OVERVIEW OF THE SPECIES-BASED REVIEW OF SIGNIFICANT TRADE

1. This document has been prepared by the Secretariat.
2. The Annex to this document presents an overview of the current status of the Review of Significant Trade in specimens of Appendix-II plant species that were selected after the 11th, 12th and 13th meetings of the Conference of the Parties (Gigiri, 2000; Santiago, 2002 and Bangkok, 2004). It indicates the reference documents that provide detailed information on each species for consideration by the Plants Committee at the present meeting.
3. The Plants Committee is invited to note the information contained in this document.

PROGRESS IN THE IMPLEMENTATION OF THE SPECIES-BASED  
REVIEW OF SIGNIFICANT TRADE IN PLANTS

**Species selected following CoP11**

Species selected	Reference document	Status of review
<i>Aloe</i> spp.	SC54 Doc. 42	ongoing – action required by the SC
<i>Aquilaria malaccensis</i>	SC54 Doc. 42	completed – removed from the review
Cycadaceae	SC54 Doc. 42	ongoing – action required by the SC
<i>Pericopsis elata</i>	SC54 Doc. 42	completed – removed from the review
<i>Prunus africana</i>	PC16 Doc. 10.2	ongoing – action required by the SC

**Species selected following CoP12**

Species selected	Reference document	Status of review
<i>Cibotium barometz</i>	PC16 Doc. 10.2	ongoing – action required by the SC
<i>Cyathea contaminans</i>	PC16 Doc. 10.2	ongoing – action required by the SC
<i>Dendrobium nobile</i>	PC16 Doc. 10.2	ongoing – action required by the SC
<i>Galanthus woronowii</i>	PC16 Doc. 10.2	ongoing – action required by the SC

**Species selected following CoP13**

Species selected	Reference document	Status of review
<i>Christensonia vietnamica</i>	PC17 Doc. 8.4	ongoing – action required by the PC
<i>Myrmecophila tibicinis</i>	PC17 Doc. 8.4	ongoing – action required by the PC
<i>Pachypodium bispinosum</i>	PC17 Doc. 8.4	ongoing – action required by the PC
<i>Pachypodium succulentum</i>	PC17 Doc. 8.4	ongoing – action required by the PC
<i>Pterocarpus santalinus</i>	PC17 Doc. 8.4	ongoing – action required by the PC
<i>Rauvolfia serpentina</i>	PC17 Doc. 8.4	ongoing – action required by the PC
<i>Taxus wallichiana</i>	PC17 Doc. 8.4	ongoing – action required by the PC

Note: PC = Plants Committee; SC = Standing Committee.
