

CONVENTION ON INTERNATIONAL TRADE IN ENDANGERED SPECIES
OF WILD FAUNA AND FLORA

Forty-first meeting of the Standing Committee
Geneva (Switzerland), 8-12 February 1999

CROSS-BORDER MOVEMENT OF LIVE ANIMALS

1. At its 10th meeting the Conference of the Parties decided (Decision 10.142) that:

Recommendations shall be prepared on the basis of proposals submitted by interested Parties, for consideration by the Standing Committee in 1998, in order to establish:

- a) a single simplified procedure for transborder movements of live animals for exhibition travelling to other States;
- b) an effective and rational system of registration and identification of live animals for exhibition; and
- c) principles and methods for certification of travelling owners supposed to travel to other States under the simplified procedure for transborder movements of live animals for exhibition.

2. The Secretariat has received no proposal from interested Parties and, consequently, this Decision has not been implemented.
