Lisbon (Portugal), 28 September-1 October 1999

Issues relating to species

Approval of new projects

STATUS OF PROJECTS PRESENTED AT THE 41ST MEETING

1. This document has been prepared by the CITES Secretariat for information purposes only.
2. At the 41st meeting of the Standing Committee (Geneva, Switzerland, 8-12 February 1999), with the purpose of facilitating additional discussions, the Secretariat proposed that in principle all projects be approved and that comments from the Parties be sent to the Secretariat to be taken into account. This suggestion was accepted.
3. Comments from the Parties were received by the Secretariat and the necessary action was taken. Not all Parties that proposed projects at the 41st meeting of the Standing Committee responded satisfactorily. The following table describes the current status for each one of the projects presented for approval at the 41st meeting.
