Forty-sixth meeting of the Standing Committee
Geneva (Switzerland), 12-15 March 2002

Strategic and administrative matters

Arrangements for the 12th meeting of the Conference of the Parties

WORKING PROGRAMME

1. The Annex to this document is a draft provisional Working Programme for the 12th meeting of the Conference of the Parties. This programme relates only to the plenary meeting.
2. The deadline for receipt of documents for the meeting is 6 June 2002. Until that time it will not be clear which new items should be added to the Agenda. In view of this uncertainty, it would be premature to prepare detailed provisional working programmes for Committees I and II.
3. However, for each item, the working programme in the Annex is annotated to indicate whether it is proposed to be discussed in plenary session only or whether it should first be discussed in Committee I or Committee II.
