6. In accordance with the provisions of Article XV, paragraph 1 (c), of the Convention, the amendments adopted entered into force 90 days after the second meeting of the Conference of the Parties, i.e. on 28 June 1979, for all Parties except those which made a reservation before that date.
7. Following the adoption of these amendments a revised edition of Appendices I and II was prepared by the Secretariat. This revised edition is reproduced on pages 1130 to 1160 of the present Proceedings.

8. Some of the adopted amendments concern species or other taxa which were listed in Appendix III of the Convention. A revised edition of this appendix was therefore prepared by the Secretariat. It is reproduced on pages 1161 to 1165 of the present Proceedings and also entered into force on 28 June 1979.
