AMENDMENT OF THE SOMALI PROPOSAL FOR AMENDMENT OF APPENDICES I AND II  
- TRANSFER OF LOXODONTA AFRICANA FROM APPENDIX II TO APPENDIX I

Amendment Proposal

This proposal is submitted by the Government of Malawi.

Transfer of Loxodonta africana from Appendix II to Appendix I "excluding the populations of Botswana, Malawi, Mozambique, South Africa, Zambia and Zimbabwe under quotas approved by the Conference of the Parties", and that this exclusion is conditional upon the observance of a moratorium by the named Parties on trade in raw and commercial shipments of worked ivory, but not on sport hunting trophies and other elephant products, until such time as a working group established at the seventh meeting of the Conference of the Parties which is acceptable to the named Parties is satisfied that certain criteria are met for the management of the elephant populations, that measures have been applied to control legal trade and to prevent illegal hunting and illegal trading, and that formal confirmation has been received from the named Parties to abide by the recommendations of the Working Group and the decisions of the Conference of the Parties.
