

AMENDMENTS TO APPENDICES I AND II OF THE CONVENTION

Ten Year Review Proposals

A. PROPOSAL

Deletion of *Didickea cunninghamii* and *Hedychium philippinense* from Appendix I and of *Areca ipot* from Appendix II.

B. PROPONENT

The Swiss Confederation

C. SUPPORTING STATEMENT

The three plant species mentioned in this proposal have been considered under the Ten Year Review at earlier meetings of Committees and of the Conference of the Parties. Supporting statements relating to *Hedychium philippinense* and *Areca ipot* are found in Doc. 3.19, Annex 2, of the Proceedings of the Third Meeting of the Conference of the Parties, New Delhi, 1981.

The present proposals are submitted on behalf of the Chairman of the CITES Plants Committee who had, beforehand, consulted with botanists in India and on the Philippines. Regarding *Didickea cunninghamii* reference is made to M.P. Nayar & A.R.K Sastry, Red Data Book of Indian Plants, Vol. I: 247-248 and an unpublished data sheet prepared by the Smithsonian Institution.
