This document has been prepared by the Secretariat on the basis of document CoP17 Doc. 79, as agreed at the fifth session of Committee I (see document CoP17 Com. I Rec. 5).

Directed to the Secretariat

17.XX Subject to available resources, the Secretariat shall contract IUCN, UNEP-WCMC or other consultants, as appropriate, to make a rapid assessment of the conservation status of, and legal and illegal in trade in species included in Appendix I, with an indication of conservation priorities based on levels of threats caused by trade and resource availability to address these threats, for consideration by the Animals and Plants Committees, following consultation with range States. Directed to the Animals and Plants Committees

Directed to the Parties

17.XX Parties are encouraged to seek support from governmental, intergovernmental and non-governmental organizations and other bodies to provide financial assistance for the recovery of species included in Appendix I that are facing the highest extinction risk and for which no projects or funding are currently available.
