Dear Sir/Madam,

On behalf of the Brazilian focal point, I refer to CITES Notification n° 2016/043 and inform you that Brazil was not consulted on proposal n° 62. Therefore, according to Res. Conf. 8.21 Rev. CoP16 (on Consultation with range States on proposals to amend Appendices I and II), it would be necessary to be presented a technical explanatory statement on the proposal and its impact to the conservation of the species.

Kind regards,

Thiago Medeiros da Cunha Cavalcanti
