

NOTIFICATION TO THE PARTIES

No. 2018/096

Geneva, 3 December 2018

CONCERNING:

Proposals to amend Appendices I and II

Consultation with range States

1. This Notification is being published at the request of Senegal.
2. In Resolution Conf. 8.21 (Consultation with range States on proposals to amend Appendices I and II), the Conference of the Parties recommends that Parties intending to submit proposals to amend Appendices I or II should consult with range States.
3. With regard to proposals to be submitted for the consideration of the 18th meeting of the Conference of the Parties that will take place in Colombo, Sri Lanka, from 23rd May to 3rd June 2019, Senegal has informed the Secretariat that it intends to submit a proposal to include *Glaugostegus* spp. in Appendix II.
4. Accordingly, Senegal requests range States to provide any available information on the conservation status (distribution, population size, structure, and trends), and on legal domestic and international trade of specimens, parts, and derivatives, as well as information on illegal trade (seizures and confiscations). We would be grateful if this information could be sent by 1st December 2018, if possible.
5. This will allow Senegal to submit its revised proposal at least 150 days before the 18th meeting of the Conference of the Parties, that is, by 24 December 2018. Information should be sent by 1 December 2018 directly to the Management Authority of Senegal, at the following address:

Direction des eaux, forêts, chasses et de la conservation des sols
