

NOTIFICATION TO THE PARTIES

No. 2018/099

Geneva, 13 December 2018

CONCERNING:

AUSTRALIA

New permits and certificates issued by Australia

1. This Notification is being published at the request of Australia.
2. Australia has recently developed a new permitting system for the issuance of CITES permits and certificates. Permits and certificates issued after 10 December 2018 will look different to Australia's previous permits and certificates.
3. CITES permits can be applied for through the Department of the Environment and Energy's online services portal, <https://onlineservices.environment.gov.au/>.
4. If you have any questions or queries regarding Australian CITES permits and certificates, please contact the Australian CITES Management Authority at:

Wildlife Trade Regulation
