

NOTIFICATION TO THE PARTIES

No. 2023/072

Geneva, 28 June 2023

CONCERNING:

ARGENTINA

Use of security stamps

1. This Notification to the Parties is published at the request of Argentina.
2. The CITES Management Authority of Argentina has requested the Secretariat to inform all Parties that until further notice, it will no longer affix CITES security stamps to its permits. In box 5 of the CITES permit, the phrase " *Válido sin estampilla de seguridad*" (Valid without stamp) will appear. The Secretariat will inform the Parties once Argentina has resumed the use of security stamps.
3. If a Party has any questions regarding the validity or legality of a permit issued by the CITES Management Authority of Argentina, please do not hesitate to contact them through the national contacts email addresses listed on the CITES website: <https://cites.org/eng/parties/country-profiles/ar/national-authorities>.
