

# NOTIFICATION TO THE PARTIES

No. 2023/107

Geneva, 25 August 2023

CONCERNING:

## Questionnaire on rosewood tree species [Leguminosae (Fabaceae)]

1. At its 19th meeting, the Conference of the Parties adopted [Decisions 19.243 to 19.245](#) on *Rosewood tree species [Leguminosae (Fabaceae)]*.
2. The Secretariat is undertaking the study called for in paragraph c) of Decision 19.243. The questionnaire contained in the Annex to the present notification is intended to inform the study.
3. Parties and relevant stakeholders are kindly invited to respond to the questionnaire, and in doing so focus their inputs on any new updates or developments from those already reflected in document [PC25 Doc. 26.1](#), with a particular focus on tree species of the family Leguminosae (Fabaceae) listed in the [CITES Appendices](#).
4. Parties and relevant stakeholders are invited to respond to this Notification to Isabel Camarena ([isabel.camarena@cites.org](mailto:isabel.camarena@cites.org)) with the term “Rosewood tree species” in the subject line by **29 September 2023**.
