

NOTIFICATION TO THE PARTIES

No. 2024/064

Geneva, 17 May 2024

CONCERNING:

GLOBAL ENVIRONMENT FACILITY

Recruitment of a Panel Member for the Scientific and Technical Advisory Panel (STAP)

1. This Notification is being published at the request of the Global Environment Fund (GEF) to distribute this notice through our networks.
2. The Scientific and Technical Advisory Panel (STAP) of the GEF is recruiting a new Panel Member for the Biodiversity focal area.
3. Applicants should have outstanding academic and technical credentials, a passion for tackling global environmental and sustainable development challenges, expertise in biodiversity conservation, the ability to work in an interdisciplinary and integrated manner, and the capacity to bridge scientific, technological, economic, social, and policy issues. Women applicants and individuals from developing countries are strongly encouraged to apply.
4. STAP Panel Members are expected to work 65 days a year. Contracts are for two years and may be renewed for another two years. For further information or to apply, interested Parties are invited to consult this [link](#). The application closing date is **14 June 2024**.
5. Additional information about the GEF can be found at www.thegef.org and about STAP at www.stapgef.org. For further information about the position or the recruitment process, please reach out directly to sunday.leonard@un.org.
