

# NOTIFICATION TO THE PARTIES

No. 2024/085

Geneva, 6 August 2024

CONCERNING:

AUSTRIA

Stricter domestic measures regarding the import and export of  
CITES-listed shark species

1. This Notification is being published at the request of Austria.
2. Austria wishes to inform the CITES Parties that, as of 11 June 2024, stricter domestic measures have been in place for all CITES-listed shark species (Carcharhiniformes, Lamniformes, and Rhincodontidae) that are included in Annexes B, C or D of Regulation (EC) No. 338/97 will be treated as Annex A species.
3. This means that Austria will treat all shark species that are included in the CITES Appendices as if they would be included in Appendix I of the Convention.
4. For further information on these import and export restrictions, contact the Austrian CITES Management Authority at [v10@bmk.gv.at](mailto:v10@bmk.gv.at) and [birgit.leitner@bmk.gv.at](mailto:birgit.leitner@bmk.gv.at), quoting Reference number: 2024-0.453.214.
